Welcome to Close Quarters, the 1995-1996 Carleton University Residence Yearbook. We have spent the past 8 months living, working, playing, studying, eating, sleeping and just being together in these close quarters called residence. Yet the question remains what is Residence? Well my friends, we have come to the conclusion that Residence is more than just a place . . . it's a way of life!

Frosh Week

Frosh Week was our introduction to university life . . . and what an introduction it was! Stayin' Alive in '95 was a time for meeting people, building friendships and getting to know the new school turf. We bonded through Canal Games, Round Up, Fenn Pubs, Air band, Mooney's Bay and Shinerama. The concept of sleep no longer existed and drinking became part of our daily life. STRUTS! SIDEBURNS! GROOVE TRAINS! GLITTERS! DANCING DIVAS! BARBORINOS! SOUL SISTERS! JIVE TALKERS! POLYESTERS! FUNKY TOWNS! STROBES! PLATFORMS! We all have a new appreciation for th 70s and none of us will be able to listen to ABBA again without getting teary-eyed. Yes, Frosh Week was an amazing time but it was only the beginning . . .

Halloween

Paintball

Ready, aim, fire! Paintball, what a way to get exercise. Bumps and bruises were brought home by everyone but the only thing broken was pride.

Sports in Res!?! You bet, and the battles were best when floors participated in grudge matches. This years participation and support showed that rezzies aren't all tunnel rats.

RRRA Staff Party

The RRRA Staff Christmas Party was certainly a night to remember. The staff and volunteers of RRRA spent the evening at the Bree's with great music and a lot of alcohol. The evening was a great success, even if many were too drunk to remember.

Res Week

Res Week was an awesome start to the new year! It began with the first ever Res Olympics - a blast for all who came out. We partied Residence style at the Fenn Pub and showed off our talent at the Bree's during the open stage night. We laughed 'till we cried at the Yuk Yuk's comedy show and were entertained by the great sounds of Feed, Jimmy George, Lilith and September Child. We had the opportunity to get dressed up for Charity Ball or dress down to do tunnel paintings. The week came to an end with a movie marathon in the Fenn. Res Week gave us a chance to get back in the swing of Residence Life and have some fun before hitting the books again.

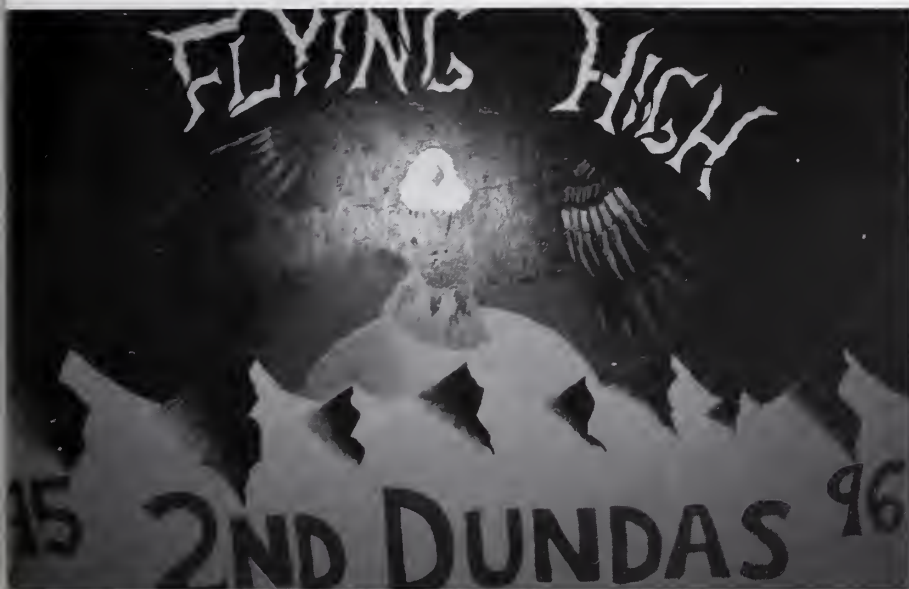

Tunnel

Tunnel Painting was the most popular event of Res Week. We managed to put our own twists on popular tv shows, movies and characters such as the X-Files, Star Wars, and Barney.

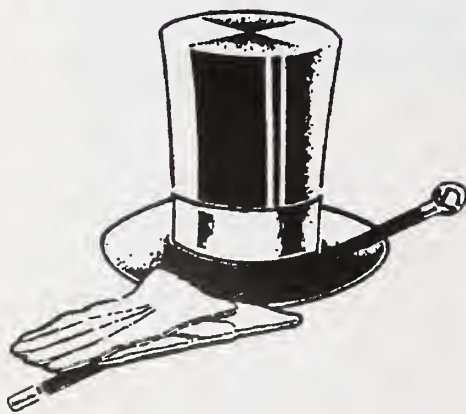

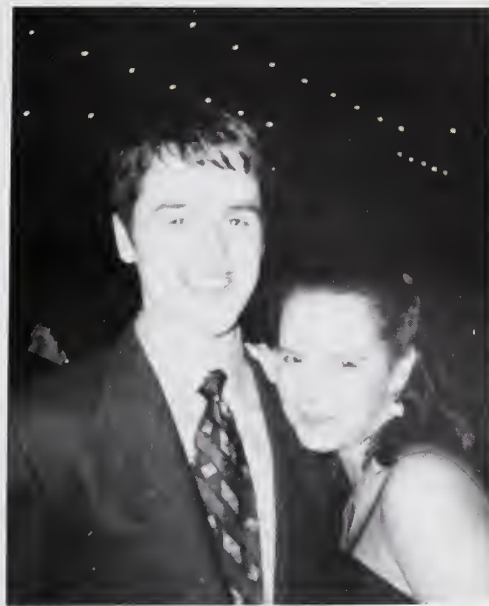

Painting

Tunnel Painting was a way for our resident artists to express themselves, and a chance for us to immortalize our names on the tunnel walls.

RRRA Executive

From the very beginning I had a feeling that 1995-1996 was going to be an exceptional year in residence. As the year now winds to an end, I am glad to know that I was not wrong.

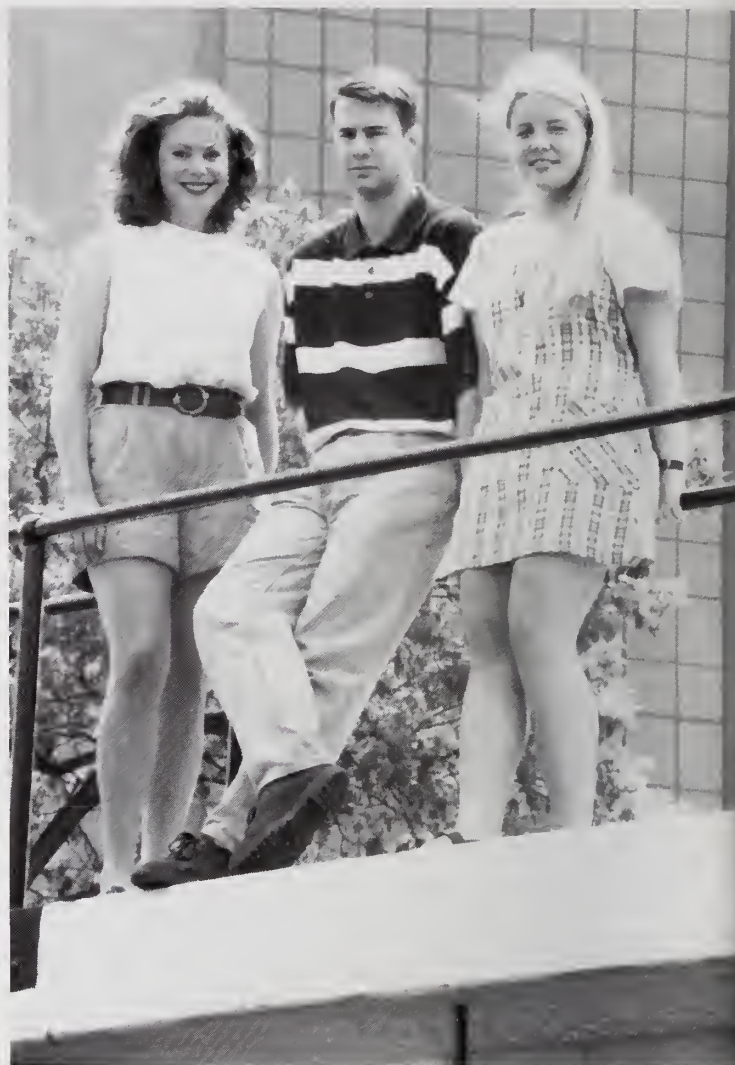

This year we have seen a re-birth of community spirit in residence. One of our goals at RRRA this year was to promote a stronger sense of community; but, we alone certainly cannot take credit for it. While RRRA may have organized activities during orientation, provided more sports programming and expanded Rez Week, it was all of you, the rezies, that made these events both fun and successful. For that I am grateful.

RRRA was lucky to have some of the best floor reps in recent memory this year. Without your energy and dedication we would not have been nearly as successful. Your job can be a tough one, it takes a lot of time and energy; often with very little thanks in return. I just want you all to know that your work did not go unnoticed.

When we are in residence we often can't wait to move out. We complain about how bad the food tastes, about how restricting the res agreement can be, and about windows that don't open and elevators that seem like they will never come. If this is all rez is about to you then you are missing out on a great experience.

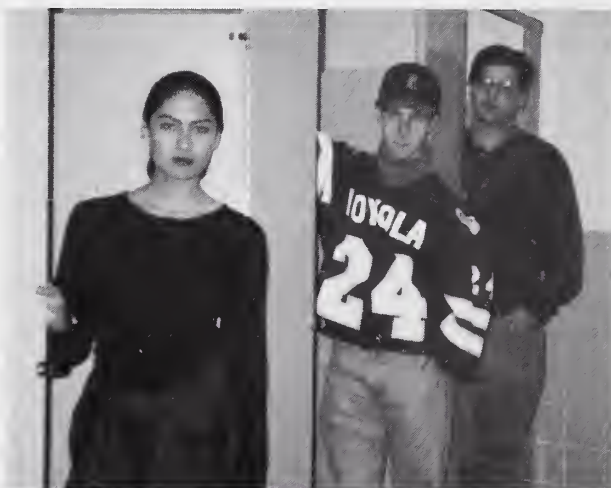

To me, rez is people. It is a place where you will make friends that you will keep for the rest of life and others that you will never forget. It is a place that you will tell stories about years from now, stories that will make you both happy and sad. Rez is people and it's the people, not the buildings, that I will always miss but never forget.

Hanging at the Bree's . . .

Many rezzies consider the Bree's Inn to be their living room. It's a great place to get a drink, have a smoke and talk to some friends. On Tuesday nights and Open Stage nights it is certainly the place to be!

Surprisingly enough, we were not able to find a picture of Blind Pete hanging out at the Bree's, so we thought he deserved an honourable mention!

Salute to Winter

Carleton Rezzies know how to take advantage of Ottawa's snowy winters. Skiing, snowboarding and tobogganing are just some of the fun activities to participate in, and a winter in Ottawa would not be complete without skating on the Rideau Canal. Here's the proof that not all Carleton University Residents are tunnel rats!

THE CRAZY THINGS WE DO

Be it do to the lack of fresh air, Saga food, or just the fact that we live in such close quarters, rezzies certainly do crazy things sometimes.

CLOSE

We hope you have enjoyed your year of living in residence and our brief highlights of the past eight months. Our hope is that this yearbook will help you remember some of the people you met and events that took place. The bond of living in such close quarters will leave you with friends that will last you a lifetime. Always remember that residence is more than just a place to live . . . it's a way of life.

QUARTERS

Yearbook Contest:

Second and Fourth Lanark tied

This year's yearbook held a contest to see which floor would order the most amount of yearbooks per capita. Second and Fourth Lanark tied and their prize is this page. Congratulations!
